Indoor & Outdoor Stadia : At the time of the inauguration of the Golden Jubilee Celebrations of the college, the foundation stone for the UGC sponsored Indoor & Outdoor stadia was laid by Sri.T.G.Venkatesh ,Hon'ble Minister for Minor Irrigation, Govt of AP. The construction work is in progress. The released amount has since been utilized completely for the construction of the same. The utilization certificate will be sent to UGC shortly to facilitate the release of remaining grant.

Women's Hostel: The construction of women's hostel has been completely and we have received the total amount of Rs 60 lakhs for the construction of the same. The newly constructed women's hostel was inaugurated by Sri.Kotla Jaya Surya Prakash Reddy, Hon'ble Minister of State for Railways, Govt of India, on 13/03/2013.

Additional Assistance:

The Institute received an amount of Rs 12.50 lakhs for the establishment of E-Class room under the UGC scheme of Additional Assistance. We have submitted the utilization certificate for the Additional Assistance Grant and we await the release of the second installment.

Thus, IQAC reviewed the progress of the utilization of the various grants received from UGC.

Courses:

The Institute has been offering UG Courses since its inception. Three PG Courses in Organic Chemistry, Mathematics and Telugu have been started in recent years. As admission to these courses was lukewarm /poor during the

academic year 2012-13, it has been decided to wind them up. It has also been decided to open these courses for admission, if there is good response for them.

It was also decided to permit the Department of Commerce to start a Certificate Course in TALLY in the newly commissioned Commerce Lab.

Campus Recruitment Drives (CRDs):

In recent years the institution has become a hub of placement activities for the UG students as infrastructure facilities, the labs, the training facilities, the initiatives taken by the Career Guidance Cell, the potential strength of the students with high percentage marks are encouraging factors which have driven the MNCs to hold CRDs on our campus itself.

Given below are the details of the CRDs conducted during this year.

Reddy Labs:

HR personnel of Reddy Labs, Hyderabad conducted a job fair for the first year degree science students on 22/07/2012. About hundred students from the adjoining degree colleges participated in the fair. Thirteen students including five students from our college were selected as trainee technicians.

Globarena Technologies Pvt Ltd:

The Career Guidance Cell of the college entered into an MOU with Globarena Technologies Pvt Ltd, Hyderabad. As per the terms of the agreement, all the forty final year degree students who registered for the training program were given a User ID and a password with which access to the training material in Analytical skills and Communication skills from the Globarena Portal was provided to them. Besides, the Resource persons of Globarena Technologies Pvt Ltd conducted training sessions on the campus to clarify doubts regarding the material accessed on the web.

After successful completion of the training program, online NAASCOM Assessment of Competence (NAC) Test which tested the students' competence in speaking, listening skills in English and Analytical skills, was conducted. The students were given NAASCOM Assessment of Competence Score Card which indicated their performance in the tested areas. This score card is valid for one year and it is accepted by all the MNCs come under the rubric of NAASCOM. The students with the valid score card can appear for the interview in these

companies without appearing for any written test which is usually conducted at the time of recruitment.

Globarena Technologies Pvt Ltd arranged an Interview session of GENPACT for the successful students. Ms. Neeraja and Ms.Komala of III B.Com were selected as Accounts Officers in GENPACT.

Globarena Technologies Pvt Ltd would arrange similar Interview sessions of other MNCs to the successful students shortly.

Mahindra Satyam:

Concerted efforts of the Management, the Alumni and the Career Guidance Cell resulted in the Mahindra Satyam CRD in our college on 06/10/2012. Forty five students appeared for the online test. Of the twenty students shortlisted for the interview, eleven students were selected as Testing Program trainees.

Rajeev YuvaKiranaalu:

Rajiv Yuva Kiranalalu is a welfare scheme conceived by the Govt. of Andhra Pradesh to build job specific skills among the unemployed and place them in appropriate private jobs. Our college was chosen as the only Nodal centre in Kurnool district for selecting eligible Graduates for undergoing training after which they would be placed in Banks and other MNCs.

A Mega Job Mela was held on our college campus on 20/12/2012. About two hundred Graduates from different parts of the district took part in the selection process which comprised written test followed by Interview.
