CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

The Adoni Arts and Science college is affiliated to Rayalaseema University, Kurnool. The Institution follows the common core syllabus for all UG courses prepared by the A P State Council of Higher Education (APSCHE) and approved by the university. The University prepares an Academic Calendar that specifies the duration of the Semester, the date of commencement of exams, and the end of semesters every year. The implementation of the Academic Calendar is done after the approval of the University Academic Calendar by the IQAC. The Academic

calendar is published in the Handbook given to each student so that all the UG students are aware of the Academic Schedule at the beginning of the academic year. The Departmental meetings are conducted regarding the distribution of the syllabus among the faculty. All the faculty members prepare Annual Curricular Plans and the faculty prepare the teaching plans in accordance with the Academic Calendar and syllabus given by the Rayalaseema University which is reviewed periodically by the In-charges of the Departments and by the Principal. The Institution encourages the faculty to attend Orientation programmes, FDPs, and Refresher courses, organized by the Universities and the Academic Staff Colleges which improves the teaching-learning practices. This helps the faculty in effective curriculum delivery. The UG Students hail from heterogeneous groups in terms of Socio, economic and Academic backgrounds. Subject-wise bridge courses at the beginning of the academic year are conducted to the students to bridge the gaps in curriculum concept. Guest lectures, Seminars, and Workshops Conferences are organized by the departments to impart knowledge in the concerned subjects. Field trips to the Laboratories, Industries, and historical places are organized to gain first-hand experience, practical knowledge and to develop observation skills among the students which facilitate experiential learning and inculcate scientific and research temper among the students. ICT-based teaching and learning is adopted for effective curriculum delivery and is well supported with help of LCDs, Virtual classrooms, and e-resources. The evaluation is done through internal and external examinations. The internal examination includes both written examination and seminars. Students are categorized into slow, average and advanced learners and the faculty customizes their teaching process accordingly. Activities such as quizzes, Group Discussions are also conducted frequently. Guidance and other competitive examinations are regularly organized by Entry into Service Committee. Laboratories and Library are updated at regular intervals every year as per the changes in the curriculum there by playing a major role in effective curriculum delivery. The curriculum is supplemented by Add-on/Need- based Certificate Courses. The students are encouraged to register for the Certificate Courses offered by IGNOU to enhance their competencies. Accordingly, the college effectively implements the given curriculum. Thus, the Institution caters to the needs of the students by adopting various methods and methodologies in implementing teaching learning evaluation.

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained
<p>The Institution gives importance to the feedback obtained from the students as it is an important component of effective teaching learning. Feedback improves learner confidence, motivation to learn besides helping the teachers to evaluate their teaching strategies. The IQAC of the Institute conducts and obtains feedback on the performance of the teachers. A standard questionnaire covering different aspects Teaching methods of the Teachers is prepared and</p>

approved by the IQAC. The same questionnaire is given to the Department of Computer Science for feeding it in the online feedback software. Once it is readied, the students of different Courses are taken to the computer lab and asked to fill in the approved questionnaire. The feedback is obtained on the performance of all the teachers. After the completion of the whole exercise, the results of the feedback are automatically generated. The confidential report of the results is submitted to the Principal for his/ her consideration. After perusal of the report, the Principal convenes a general meeting of the staff where he deliberates the findings of the report and suggests ways to improve the standards of teaching.

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

There is a Mentor- Mentee Cell which is constituted to support and give guidance to the students to excel their academic and professional career thereby contributing to their holistic development. It is very effective mechanism that is aimed at providing solutions to the Academic issues being faced by the students. The students come across difficulties and face academic and other challenges during the course of study. To cope with such problems and to enable them to excel in academics and personal life up to their potential, a Mentor- Mentee system for the students of the institution has been helpful. The students are provided counseling through personal attention and regular interaction during their stay on campus, by the allotted Mentor. The students are given guidance and suggestions on studies, personal counseling, regarding career choices and how to be successful in the university examinations. The scheme has become very successful in bridging the gap between the teacher and the student. It has reinforced a positive atmosphere of conviction and faith about the Institution. The system has an impact on the whole functioning of the Institution. Aims and Objectives ? To bridge the gap between the mentor and the mentee. ? To ensure the quality performance of the students in academics. ? To deal with and help to overcome the problems for the holistic development of the students. ? To provide congenial learning environment. ? To motivate them to pursue higher studies and competitive examinations. ? To discuss stress related issues, if any. ? To monitor the academic performance and assess the outcome. Details of the System ? Mentees shall be assigned to the mentors right from the first year of the programme ? . A mentor shall not have more than 30 mentees at a time. ? The mentor shall meet the mentees regularly and record the outcome of the meeting ? Attendance: The mentor shall observe and monitor the attendance of the mentee. He/she shall advise and take necessary follow up action with regard to students who do not meet the attendance norms of the college. ? Academic Matters: The mentor shall also keep a track of the academic performance of mentees including continuous assessment, term and examination and help the mentee through counseling or by arranging remedial teaching, if necessary ? Behavioural and discipline matters

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

The Institute is affiliated to Rayalaseema University which is in turn governed by the A P State Council of Higher Education (APSCHE) in the Academic matters. In the CBCS System, there's provision for Continuous Internal Evaluation (CIE) as well as External Assessments for which 30 and 70 of marks allocated respectively in all the UG subjects and the question paper pattern of CIE is prepared in a way to help the students to excel in External Assessment. Usually, two Internal exams are conducted in each subject in a Semester and an average score of these two tests is calculated and recorded on the University web portal for addition to the External Marks. After first Internal exam, the students who did not perform well in the test are suitably advised to better their score in the subsequent exams, particularly External exam. Mock practical exams are conducted prior to the Public Practical exam. The students are intimated the batch wise schedule in the departmental notice boards and these exams are conducted as per the schedule. It enables the students to face public exams with greater confidence. As the Institute is not an Autonomous Institution, there is little scope to undertake reforms in the conduct of CIE. The Institution scrupulously adheres to the guidelines of the University vis a vis CIE. The Examination committee oversees the conduct of Internal Assessment in the Institution. Usually, two Internal exams are conducted for each subject in a Semester and an average score of these two tests is calculated and recorded on the University web portal for addition to the External Marks. If there are any grievances regarding the evaluation, the students are advised to bring the matter to the department concerned for early and fair redressal. If any grievance couldn't be resolved at the department, there's mechanism to bring such matter(s) to the Examination Committee (No such case has been reported so far). Thus, CIE is undertaken.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The Institution attaches a lot of importance of preparing the Academic schedule for the Academic year. At the commencement of the Academic year, the Institution receives the Academic Calendar from the University. It is placed in the IQAC for necessary approval. Once approved, it is circulated among the Departments of the college. A copy of the Academic Calendar is published in the Student Handbook published in the beginning of the Academic year every year thus, it is a given a wide publicity. The faculty strictly adheres to the Academic Calendar in completion of syllabus and conducting model practical exams as well as Internal Exams. It also helps the faculty to schedule other Academic Activities like Departmental seminars, Quiz programs besides extra-curricular Activities. The IQAC ensures effective implementation of the Academic Calendar. The IQAC gives necessary guidelines to the faculty regarding the execution, preparation of necessary documents pertaining to teaching, learning and evaluation. The IQAC constitutes necessary committees like the Examination Committee, etc for effective conduct of Examinations. It inculcates Academic discipline among the staff and the students.

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)

The Institution being Aided, The Chairman of the college is the head of Manging Committee and the Secretary Correspondent is vested with all powers pertaining to the Institute. But the Principal and the faculty enjoy functional autonomy in respect of all Academic matters. The Principal being the head of the Institution, He/she takes major decisions pertaining to academic, administrative and other matters in consultation with the Senior faculty. Various committees are framed for the successful conduct of various functions and activities. be it Academic or Administrative. With regard to the Academic matters, the Committee Conveners and in charges of the departments have functional autonomy to decide on the various departmental academic matters and events. The conveners and in charges of the departments play a crucial role in decentralizing the resources by scheduling the activities of the department and assigning responsibilities to the respective department faculty. They are also involved in the framing of the timetable at the beginning of each semester, subject allocation, assigning department coordinators for various committees, organizing Seminars and Workshops, arranging Field visits etc. Similarly, the Administration of the institution is decentralized. In the beginning of the Academic year, The Principal constitutes various committees with the Principal as Ex-officio Chairman and appoints a Convenor for each committee. The Convenor co-opts the members of the respective committee. In the process, in order to air their views and concerns on various matters of Academic interest, from the student community two to four student representatives on the basis of merit are nominated on these committees on the advice of the Convenors. The inputs given by the students in the matters relating to curricular, co- curricular and extracurricular activities that take place in the college is vital.

6.1.2 – Does the institution have a Management Information System (MIS)?

No

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	<p>The Institution is affiliated to Rayalaseema University, Kurnool and follows the curriculum and syllabus prescribed by the University for all its courses as per APSCHE guidelines. As an affiliated Institution it is not empowered to design its own curriculum. A few Senior faculty members from our college have been Chairmen / members of the Board of Studies of various subjects constituted by the university As Chairmen / members of the BoS have contributed to curriculum development which will have a bearing on the other affiliated colleges.</p>
Teaching and Learning	<p>Realising the importance of the student centric approach in the Teaching Learning process, the same is adopted. The Institute has well equipped laboratories in all the Science Departments including Computer Science Commerce Departments which augmented the Infrastructure with UGC -BSR Grants. The students are actively involved in the learning process under the supervision of the faculty thus, student centric and participatory learning is promoted and they gain hands on experience. Besides, the students organize and participate in Seminars, Quiz programs, group work, pair work, debates in which there's greater scope for interaction in the learning process</p>
Examination and Evaluation	<p>The Institution strictly adheres to the Academic Calendar sent and subsequently approved by IQAC in conducting Internal Assessment without deviating from the prescribed schedule and pattern set by the University. As the Academic Calendar is published in the college Handbook given to all students, the students plan their studies. The Internal Assessment marks allocation is uniform in all subjects and question paper pattern is prepared in a way to help the students to excel in External Exams. Usually, two Internal exams are conducted for each subject in a Semester and an average score of these two tests is calculated.</p>
Research and Development	<p>The Institution being an undergraduate affiliated constituent college, there is little scope to undertake quality research. But, the</p>

faculty are encouraged to participate in National seminars, workshops so that it would help in the the Teaching Learning process. Some of the faculty take initiative and publish Articles in reputed journals.

Library, ICT and Physical Infrastructure / Instrumentation

The Institution boasts of excellent Infrastructural facilities. Today, it has 50 well ventilated class rooms. State of the Art facilities in all the Science laboratories, three Computer labs with around 200 Computers with 20 mbps Internet facility, six rooms with ICT Tools (LCD Projectors, Audio-visual equipment) and fully Automated library. Besides, there are separate hostels for boys and girls. There is a Health Centre on the Campus in which a Qualified medical practitioner attends to Health-related issues of the students and the staff. There a branch of Union Bank of India on the Campus for the students and the Staff

Human Resource Management

The Principal being the head of the Institution, He/she takes major decisions pertaining to academic, administrative and other matters in consultation with the Senior faculty. Various committees in which the students and the staff are members are framed for the successful conduct of various functions and activities. The Committee Conveners and in charges of the departments have functional autonomy to decide on the various departmental events. The conveners and in charges of the departments play a crucial role in decentralising the resources by scheduling the activities of the department and assigning responsibilities to the respective department faculty.

Industry Interaction / Collaboration

The Institution has two Platoons of NCC Boys 28 (A) BN, Kurnool and two Platoons of Girls Units. Besides, there are three NSS Volunteer units. They are actively involved in the Collaborative Community service as well as social awareness programs throughout the year. Enrolment into NCC NSS is taken up immediately after admissions for the I year Courses. These Cadets and Volunteers are sensitised to participate in Community Service initiatives such as conduct Blood Donation Camps, Clean Green Programs on off the campus, to generate awareness

	about social issues like "Save Girl Child", "AIDS Control."
Admission of Students	The admission process of 2019-2020 was offline and the admission procedure in the Aided sections was done as per the roaster system laid down in the government norms to bring about social justice and upliftment of under privileged sections. Applications from the eligible candidates were invited after declaration of results of Intermediate board examinations. The merit lists were prepared and according to the merit index and reservation all the seats were filled up. The same procedure was adopted to fill the self-financing courses as well.

6.2.2 – Implementation of e-governance in areas of operations:

E-governance area	Details
Administration	The Institution makes use of e-governance to provide speedy, efficient and transparent Administration to the students and the staff. The college office is totally Automated. Administrative business starting from the student registration for admission to the issuing the TC from the college, are executed using an office Administration Software developed by the Department of Computer Science. Even the Service matters of the staff are computerized thus, the students and the staff reap the benefits of e-governance in transparent and efficient Administration.
Finance and Accounts	As the Administration of the Institution is fully automated, all the financial transactions ranging from payment of fees by the students to disbursement of salaries to the staff are computerized. For the disbursement of salaries of the Aided staff, a software application developed by the Finance Department of the Government of AP called Comprehensive Financial Management System (CFMS) is used. It provides transparency.
Student Admission and Support	The Admission process in the institution is fully automated. Majority of the students on the roll are dependent on the scholarships provided by the Government of Andhra Pradesh. All of them register themselves on Jnana Bhoomi portal, a Government of Andhra Pradesh software

	used for Students post metric Scholarships. Registration and Disbursing scholarships for all BC/SC/ST and Minorities is done through this portal. The college library is fully automated with LIBSOFT software. The library subscribes to NLIST and logins are provided to all students and staff who use them in e-learning centre.
Examination	As the Institution is affiliated to Rayalaseema University, it utilizes the Online examination portal of the university to upload the student examination particulars, to upload internal and practical marks, download hall tickets, D-forms of examination centre and results.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

The Adoni Arts and Science college has been established not only to impart Quality Education but also to inculcate Social Responsibility among the students besides working for their holistic development. The Institution has adopted several Best Practices which justify raison d'être. The Institution is
--

located on a 40 Acre sprawling Campus. Thanks to the financial Assistance from the UGC, the Successive State Governments and the Philanthropists, the College boasts of excellent Infrastructural facilities in Kurnool district. Today, the college has 50 well ventilated class rooms. State of the Art facilities in all the Science laboratories, three Computer labs with around 200 Computers with 20 mbps Internet facility, six class rooms with ICT Tools (LCD Projectors, Audio-visual equipment) and fully Automated library. The Institution has sprawling play grounds of 26 Acres. An Out Door Stadium and an Indoor Stadium were constructed with the financial Assistance of UGC. The former has an Athletic track and a cricket pitch and the latter has 5 Badminton Shuttle Courts.

Besides a well-equipped Gymnasium, there are separate Courts to play Basketball, Hockey, Kho-kho and other outdoor games. All these Sports Infrastructure and facilities are extensively used by the students of the Institution as well as general public. The Authorities host various Tournaments. The Institution has an open-Air Stage where cultural events are organised. Coinciding with the Golden Jubilee celebrations of the college in 2012, a spacious Golden Jubilee Hall was constructed with the financial Assistance of the UGC. The college students use it for conducting various Quiz and other competitions. Besides, there are separate hostels for boys and girls.

There is a Health Centre on the Campus in which a Qualified medical practitioner attends to Health-related issues of the students and the staff. There a branch of Union Bank of India on the Campus for the students and the Staff. The fully automated library has more than 60000 books. All these helps All round development of the students. CERTIFICATE / DIPLOMA COURSES There are IGNOU and BR Ambedkar Open University Study Centres on the campus where in the regular students are encouraged to pursue Certificate / Diploma Courses while pursuing regular UG Course. The students have to broaden their horizons of knowledge in their allied fields of study for better career opportunities. In this competitive world, it is said, knowledge is power. It is better for the students to enrich their allied fields of study. Encouraging and motivating the students to pursue certificate courses offered by IGNOU is a step in that direction. IGNOU provides an avenue where they can pursue different certificate courses and it also provides the students get extra qualification besides a regular degree. Donate blood save lives. Blood is needed for women with complications during pregnancy and childbirth, children with severe anemia, accident victims. The objective of the practice is to help such needy people during emergencies. A Program to enlighten the girl students An Ambitious program balikaa thelusuko was taken up to generate awareness about health hygiene among the girl students who live in the Residential Hostels under difficult conditions It has been observed that the girl students, particularly hailing from rural areas, stay in different hostels and they are not aware of many matters pertaining to health and social issues. There is a need to sensitise them about these issues and improve their lifestyle. One hundred girl students of the Institution underwent a special training under the trained tutors selected 24 Residential Hostels and spent three Nights and tried to educate the girl students of these hostels about various issues concerning their life under balikaa thelusuko program of ICDS (Integrated Child Development Services). Under this program, the girl students were sensitized about Nutrition, hygiene, various social evils like child marriages, etc . The whole program was spearheaded by the girl students of the Institution The success of the program is evidenced from the fact that it was well received from the Inmates of all those hostels and appreciated by the bureaucrats and the general public as well. It brought about a quality change in the lifestyles of the inmates. DECENTRALIZATION The Administration of the Institution is decentralised. In the beginning of the Academic year, The Principal constitutes various committees with the Principal as Ex-officio Chairman and appoints a Convenor for each committee. The Convenor co-opts the members of the respective committee. In the process, in order to air their views and concerns on various

matters of Academic interest, from two to four student representatives on the basis of merit are nominated on these committees on the advice of the Convenors. The inputs given by the students in the matters relating to curricular, co-curricular and extracurricular activities that take place in the college is vital. Thus, the Students have representation in the following committees. 1. Student Grievance and Redressal Committee 2. Women Empowerment Cell 3. Cultural Committee 4. Sports Committee 5. Library Committee 6. Special Fee Committee 7. Purchase Committee These committees meet at regular intervals and discuss relevant matters. The students actively take part in organising National festivals, Sports Day and any other Important event organized on the Campus. Awarding Endowment Prizes The Philanthropists and other prominent citizens of Adoni town, in memory of their loved ones, donated some Lump sum amount to the Institution for the purpose of awarding cash incentives to the meritorious students in various disciplines. The amount donated from them is deposited in the Union Bank of India (which is on the campus) and the interest accrued from these deposits per annum is given as Cash incentive to the meritorious students as per the directions of the donors. The list of donors is published in the Hand Book given to all the students. Besides, the Management of the college gives cash incentives and Tabs to the meritorious students in the Public exams. Eco-Friendly Campus The Institution is located amidst lush greenery which is result of plantation drives being undertaken on the campus for many years. The student volunteers not only keep the campus clean but also maintain sustain greenery. An exclusive Botanical Garden was established with the financial Assistance of UGC. It houses rare and medicinal plants thereby creating pollution free environment on the campus. It's maintained by the Department of Botany. Water Drip pipes to water plants are used to conserve water. NSS NCC The Institution has two Platoons of NCC Boys 28 (A) Bn Kurnool and two Platoons of Girls Units. Besides, there are three NSS Volunteer units. All of them are actively involved in the Community service as well as social awareness programs throughout the year. Enrolment into NCC NSS is taken up immediately after admissions for the I year Courses. These Cadets and Volunteers are sensitised to participate in Community Service initiatives. Given below are the details of such programs. NCC Cadets NSS Volunteers ? regularly conduct Blood Donation Camps. ? Participate in Clean Green Programs on off the campus ? Take out Rallies in the town to generate awareness about social issues like "Save Girl Child", "AIDS Control", ? Celebrate important Events throughout the year like: "Rashtriya Ekta Diwas", etc ? Generated awareness about the precautions to be taken during Covid and distributed Masks Sanitizers among the households in Adoni Town. NCC Cadets participate in various camps organized in various parts of the Country. The services of these cadets are solicited for maintenance of Queues and rendering voluntary service in nearby Urukunda Eranna Devasthanam , Mantralayam Raghavendraswamy Mutt and Ranamandala Anjaneya swamy temple during auspicious occasions when there's heavy rush of pilgrims. FACILITIES FOR THE DIFFRENTLY ABLED To make accessibility easy to class rooms and other vital locations on the campus for the physically challenged students and staff, rails and ramps were constructed with the financial assistance of UGC. In addition to this facility, there are wheel chairs on the campus to carry those who need it. Student Placement Cell: The Skill Development of Andhrapradesh in collaboration the Student Placement Cell of the Institution has opened a training centre on the college campus. The Centre is fully furnished with an LCD Projector, a PC, a Printer and Internet connectivity. The Centre has received TABS and Laptops to be used by the students during the training sessions. A Resource Person attached to the centre monitors the Training Activities. The Centre has arranged several training sessions to the students during the academic year and organized a Campus Recruitment Drive as well. It also guides the students who wish to attend off campus Placement Drives. Student Grievance Redressal Cell: There is a Student Grievance Redressal Cell on the campus. The students can register any complaint

relating to ragging, eve teasing, etc. Thanks to the awareness campaigns organized from time to time, there have been no such complaints and the campus has been ragging free. And the Institution has always been trying to adopt such initiatives for the holistic development of the students.

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Since its inception, the Adoni College has become one of the leading educational institutions in the Rayalaseema Region and has become synonymous for its academic excellence, discipline of its students, committed faculty and a high sense of social responsibility. Major initiatives of the institution in respect of introducing new courses and augmenting infrastructure to keep up with changing times has helped it realise the objectives envisaged in the Vision and Mission Statement. Thus, it has transformed into one of the prestigious Institutions in this region. The Institution has augmented Infrastructure and learning resources with the financial Assistance of UGC the State Government funds. The infrastructure is utilized for providing better facilities to the students. The staff and students of the institution are extensively benefitted from the facilities like ICT enabled classrooms, laboratories, fully automated library, seminar hall, virtual classrooms, internet, wi-fi connectivity, women waiting room, Health Centre, RO water plant, the state-of-the-art computer labs provided by the institution. The institution fulfils its social responsibility by conducting extension activities and community outreach programmes regularly with the active participation of the student volunteers and the staff. The institution strives to provide transparent and efficient administration. It is achieved through the decentralization of administration, automated office and accountability, responsibility and efficiency in academic and administrative matters. The Institute has always tried to be in sync with the new trends in Education to remain relevant be it adapting to new Teaching and learning methods. One of the major challenges that the Institutes is facing is inculcating Employability Skills among the students. The students are encouraged to learn such courses besides the ones mandatorily taught in the prescribed curriculum so that they enhance their employability potential. The Institute is providing various avenues in this regard. One such initiative is the Certificate Courses offered by IGNOU which has a Study Centre on the campus. Regular Degree students are encouraged to register for any certificate course so that they can improve their qualification without having to attend classes on any given working day thereby improving their employability skills. We believe such initiatives engender 'all round' development of the students. The Institute continuously strives to achieve academic excellence
